Emanuel,

In light of your eleventh hour application (filed the day before the deposition) to switch the witness, and an uncorroborated account of the conflict which has arisen, we are assuming Andris Guzman will not be showing up for his deposition tomorrow.

Accordingly, we are canceling the stenographer and your client will be liable for the no-show and any cancelation charges that might be applied.

All the other court-ordered dates will proceed as is.

You should make the appropriate application for your client to be re-scheduled another day, and corroborate your account to the court. Simply saying "attorney client privilege" is not acceptable.

Warm wishes,
Tiffany Troy
